Lisbon: *a very inspiring city* *for magical events...*

Lisbon is a treasure of architecture, a colorful journey in the past. This city has attracted a mix of cultures and « savoir-faire ». Lisbon has so many beautiful venues, such as « Palacios », where unique events could occur.

Foreigners and locals want to have fun !

It is time to gather the French, the Portuguese « savoir-faire » with the international crowd. Organize **euphoria** dinners in unique places.

It is time to gather the French, the Portuguese « savoir-faire » with the international crowd.

Sophie has now been in Lisbon for several years and has developed a vast network of cosmopolitan friends and contacts. Those are keen to discover Lisbon via unique experiences of creative dinners in unknown venues.

Concept

*When dinner isn't anymore
dinner but an experience
of senses*

Where :

Thanks to her contact, Sophie gets the keys to surprising places for epic evenings, those kinds of venues that are not on the market.

When :

When Sophie is not on mission for corporate or private events, she produces her own events. Next ones: Le Bal Noir, 2023 & the White Dinner Party 2023- in Lisbon. Exclusif private dinners in private Palacios.

What :

Each evening is different according to her inspiration: place, artists...The dinner itself is a performance. Musicians, performers, DJs, lighting, and decoration help create a magical atmosphere in the beautiful venue.

Who :

Sophie has a substantial network of friends & contacts: International and Portuguese. She has thrown numerous parties in her flat, gathering a cosmopolitan crowd. Her last events have left an impact on all participants. This target comes from various fields: Real Estate, Art, Fashion, F&B, Institutions, NFT's, Finance, Design, Philanthropy, entrepreneurs, start-ups ...

How :

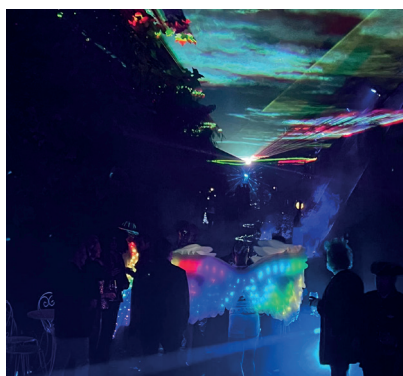

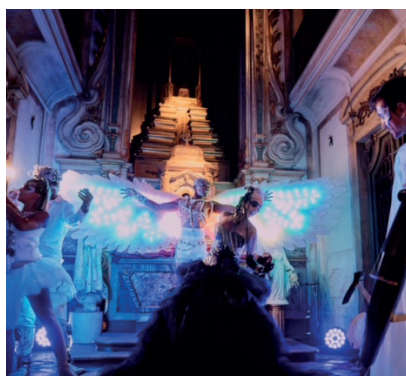

Private invitation with a contribution.

She produced the magnificent Soiree des Ambassadeurs in Paris for 10 years, the craziest « Bal costumé » that gathered more than 6 000 guests with magical scenography and secret venues. She was part of the Diner en Blanc in Paris (2 000-10 000 pers).

Supporting Artists

Sophie has been helping artists in Lisbon since 2 years with Florencia Ribero. They identify together talents in Portugal and provide them work.

A Little story... How does it happened ?...

Sophie has meet Florencia, a stunning opera singer, doing a performance in the street, she was such moved that she asked her if she could play for a private events she was preparing.... Their relationship started and it became a partnership... Together they try to help those talented artists that struggle to work because of the situation. They like together to unearth talents and even create small ephemeral groups.

Her network :
*The one that makes
the difference !*

Sophie is rubbing shoulders with the top international crowd in Lisbon. Since 2018, she has created an exciting target from a very eclectic universe :

Real Estate, local & international, Investors, Finance, Arts, Fashion, Artcraft, F&B, institutions, Design, Philanthropy, entrepreneurs, Nft'S, Crypto...

A win win collaboration with partners

Sophie brings her creativity to the production of these fairy tales events. The partners are part of the experience, and brands are integrated into the theme as much as possible.

She commits to contracting her partners as much as possible. She is also keen to connect the partners to her network of cosmopolitan friends.

Each dinner is a unique experience for partners !
